WELCOME TO THE NEW DISASTER RELIEF EFFORT NEWS

Our newsletter editor retired after our 3rd quarter 2021 newsletter, that's why you haven't seen a newsletter since that time. (More about Edna Walling on page 3.) Since this is the first newsletter since Sept 2021, let me attempt to summarize areas we helped from September of 2021 through March 2023.

- In September 2021 the Caldor wildfire broke out in Placerville, and South Lake Tahoe, California. Supplies were sent to the Placerville Church of Christ and the Lake Tahoe Church of Christ.
- On the 24th of October, five tornadoes touched down in South-eastern Missouri, and Southeastern Illinois. Two EF-3 tornadoes with winds up to 165MPH were reported. One hit Fredericktown, MO, which is about 90 miles south of St. Louis. A 53' trailer load of supplies was unloaded at their church building on October 26th.
- On the evening of Friday, December 10 through early Saturday morning, December 11, two super-cell storms passed across the central and southern US with 8 states reporting 66 confirmed tornadoes. Heavy damages occurred in Arkansas, Kentucky, and Tennessee. Mayfield and Dawson Springs, Kentucky received the worst of the damage reported when an EF-4 tornado with 190mph winds hit those communities. This tornado was reported being on the ground for 166 miles! A second EF-4 that was on the ground for 80 miles hit Northeastern Arkansas, and areas of Northwestern Tennessee. On the morning of December 11, we were in touch with congregations in the damaged areas. We delivered the first truckload of supplies at 4 P.M. the same day the tornado hit, to the Seven Oaks Church of Christ in Mayfield, KY. On the next morning, the Northside Church of Christ in Mayfield held worship services late, so they could unload our truckload of supplies at 9A.M. at their building. →

(from page 1)

That same afternoon a shipment was delivered to the Central Church of Christ in Benton, KY. On Dec. 13, a 53' trailer was unloaded at the Princeton church in Princeton, KY, and another shipment went to the Mars Hill church in Bowling Green, KY. On Dec. 14, a shipment was delivered to the Lehman Ave church in Bowling Green. A total of 11 shipments of supplies were sent to the damaged areas in Kentucky within 17 days. We also sent supplies to Dresden, and Pegram, TN and to Trumann, AR because of the outbreak of tornadoes. We continued to help Kentucky and Arkansas. Many shipments of goods have gone to help those in Waverly, Tennessee with their long-term recovery and rebuilding though out 2022 and into 2023.

- In late December '21 a wildfire broke out in Broomfield, Colorado. A shipment of supplies left Nashville on Jan 1, 2022 to help those affected by that fire.

- Later in January, supplies were sent to Center Point, AL on the 25th, after that area was hit by a tornado.

- In mid-March, a wildfire started in the Eastland/Gorman Texas area. We sent a shipment to the Gorman church on the 18th.

- On the 22nd of March, an EF-3 tornado hit the New Orleans area. A shipment was delivered to the Greater New Orleans church that worships in Saint Bernard, LA on March 23.

- On March 30, an EF2 tornado hit Springdale, Arkansas. A semi full of supplies was delivered to the Robinson Church of Christ on the 31st.

- A wildfire broke out in April in Las Vegas, New Mexico. A shipment of supplies went to the Mountain View church in Las Vegas.

- On April 30, an EF-3 tornado was on the ground in Sedgwick and Butler Counties of KS, leaving a path of damage for almost 13 miles long, and a quarter of a mile wide. A shipment was delivered to the Eastpoint Church of Christ in East Wichita on May 2nd.

- A very rare tornado hit the upper peninsula of Michigan in the Gaylord community on May 20th. Supplies were unloaded at the Gaylord Church of Christ on May 22.

- In July, heavy flooding took place in Eastern Kentucky, & Western Virginia, taking the lives of 25.

We helped in Altro, KY through the Bowling Creek church; Hazard, and Hyden, KY through the Lothair church in Hazard; Hemphill via the Hemphill C of C; Jackson through the Jackson church; Prestonsburg via the Prestonsburg church; Virgie through the Shelby Valley church; Wayland through the Harold C of C in Harold, KY; Wise, VA through the Wise CoC.

- During July, forest fires started in Mariposa County, CA, which includes much of Yellowstone National Park. A shipment of supplies went to the Mariposa C of C on July 29th.

- In August '22, Hurricane Ian made landfall in Florida. We sent supplies to Cape Coral, Daytona Beach, Englewood, Fort Myers, Holly Hill, Port Charlotte, & Venice. In 2022, 18 shipments from our Nashville warehouse of basic supplies of food, water, personal hygiene, infant care, and cleaning supplies went to help these communities.

- In 2023, supplies were sent to Beaumont, CA after excessive snow and ice in that area. We helped Lanett, & Prattville, AL; Little Rock, N. Little Rock, & Wynne, AR; Griffin, GA; Whiteland, IN; Amory, Belzoni, Rolling Fork, & Winona, MS; Marble Hill, MO; Shawnee, OK, Bethel Springs, Covington, Hohenwald & Readyville, TN due to damage from tornadoes.

²³ And whatever you do, do it heartily, as to the Lord and not to men, ²⁴ knowing that from the Lord you will receive the reward of the inheritance; for you serve the Lord Christ.

Colossians 3:23-24 NKJV

Retirement of Edna Walling

When COCDRE first moved into our current location 28 years ago, the office staff at the Tusculum Church of Christ had been creating a newsletter up to that point, the young ladies that had been doing that task didn't want to continue performing that duty. Mary Joyce Nicks, our first Bookkeeper at CCDRE suggested to Joe Dudney, our first Executive Director and Vice President, to speak to Edna Walling about being the editor of our newsletter. When we moved into our building at 410 Allied Drive in Nashville, we had an open house. There was a great turn-out, and Edna came to that event. Joe asked Edna if she would help layout the quarterly newsletter. Edna has a copy of every newsletter since she took the position.

Edna spoke to Joe early on about having an area in the newsletter where people could make donations to this work in memory of friends and family of those that had passed away, and also to honor an individual or group still living for a special event, or something they had done. That was the beginning of the Memorial section, and Living Honor section of our newsletter, which have been one of the most popular →

sections of our newsletter.

Throughout 2020-2021, Edna was dropping little hints to me, saying if anyone else would like to create our newsletter, she'd be happy to let them take it over. After she had put together the 3rd quarter's newsletter for 2021, she called to say it was time for someone else to take on the task. She mentioned that her eyes were not able to focus on the small print as well as they once did. Edna has put in countless hours of time deciding the layout of each page of the newsletter, and editing the articles and content so it will all fit. We appreciate you Edna for your work and for creating this newsletter for the many years that you've been involved with it!

This edition of the newsletter is 18 months after our last printed edition. Going forward, we plan on continuing our quarterly publications of our newsletter.

Our new editor will be R.S. Cagle. She has big shoes to fill with the departure of Edna Walling and the long-term legacy that she established.

“Watch for Snakes!”

Editorial by Brian Spicer

It’s always a blessing and a pleasure to spend time getting to know different brothers and sisters in our church family. You get the opportunity to learn more about a person and also to allow them to get to know you. It’s even more special when you get to spend that time doing something you both enjoy – say for example ...fishing!

Several weeks ago, a good friend and I went fishing in an attempt to “slaughter” some white perch, and crappie. We managed to catch a few sun perch, but the multitudes just weren’t there. Despite the lack of catch, we did enjoy some good conversation together. My friend shared his story of having been bit by a copperhead a couple years ago. He talked about the pain and anguish he experienced, how it took nearly six weeks to get back somewhat to the mobility he had as before. It is amazing how such a little snake can have such a powerful and lasting effect on us humans.

My backyard, with all the vegetation, is susceptible to snakes. Because of years of experience and the horror stories as the one mentioned, I try to keep an eye out for those crawly creatures. In the middle of March, I decided to put out a product to deter any stragglers that might decide to take up abode in my backyard. I should have suspected something when I saw a garter snake zipping around my fish pond that was heavily surrounded by the snake deterrent.

One day, I came home and decided to check on my pepper plants to see how they were weathering the recently applied dosage of fertilizer. Lo and behold there they were, two “big” copperheads coiled up together beside the path. I hollered for my daughter, who soon cautiously appeared with stick in hand and later a shovel. It was only after doing the Christian thing and sending them to be with Jesus that I resolved that the product definitely doesn’t work, at least not in my yard.

The experience got me to thinking about the idea of having other snakes around that I could be unaware of. The biggest and “baddest” of them all being ole Satan himself. You never see him (or recognize him if you do) but you can rest assured that he is around. Do we think that three visits a week to a building and our prayers at the dinner table or before bed is enough to deter him? Chances are he has taken up abode in our own “backyards.” Maybe his “nibble” has been ever so slight and undetected but enough for his venom to take its affect. Paralysis has begun to set in and our eyesight and especially the heart are feeling the effects. Maybe we need a trip to the great Physician to start the healing process, and heed the writings of Peter, in 1 Peter 5:8.
